

Sending Your Transcript

Visit www.gafutures.org

Mill Creek needs to have your Social Security number on file before you can send transcripts through GAfutures.org. If you get a message saying your transcript can't be found ... your social security number is probably missing. Please see your counselor to correct the issue.

1. Log into your GAfutures.org account. Select **HIGH SCHOOL TRANSCRIPTS** under Shortcuts on the main screen.

2. Select the college you are applying to ... answer all the questions ... click the "I acknowledge" statement ... Select **SEND**. Repeat these steps if applying to more than one college.

My Transcript Request

When requesting your transcript record be sent to a college or NCAA, view your transcript record first to be sure all courses and grades are listed. High schools report transcript records to GSFC periodically so you may want to check your transcript on record with us is your most recent transcript information. If not, check back here periodically. High schools submit transcript records at varying times. This functionality is available only for Georgia high school students who graduated 2007 or later.

Please Note: It must be at least 30 days since you requested your transcript be sent to the same college or entity.

Where would you like to send your transcript?
