COMMENTS: (i.e., 504 Plan, academic information crucial to placement in courses, etc):				

COURSES OF STUDY

We encourage all freshmen to select and complete a "course of study" at RHS. A course of study is a sequence of at least three progressively more challenging elective courses in a variety of student interest areas. Most of these courses fulfill a UC/CSU a-g requirement. Freshmen have room to start two courses of study in their freshman year. Please refer to the Course Catalog at www.roseville.rjuhsd.us for examples of courses of study, a list of courses which fulfill UC/CSU a-g requirements, and sample 4-year plans.
