Directions for Current Sophomores:

1. **Important:** the following classes require completion of a form and/or an application before they can be added to your schedule:

- Independent Study
- Cadet Teaching
- Virtual or Online Class
- Dual Enrollment Course

Request an appointment with your counselor using this QR code in order to obtain the virtual form. It will need to be signed by you and your parent/guardian before the class can be added to your schedule.

2. The Sheet is due on January 29, 2026 to your Bulldog Block teacher. On **February 3, 2026**, during Bulldog Block you will enter your course requests on-line.

The “master schedule” will be developed based on your selections, therefore, please put careful thought into your selections.

Students may request a schedule change only for legitimate reasons listed in the approved schedule change criteria (see below). All requests must be submitted during the schedule change window at the end of May/beginning of June. Schedules are carefully built and balanced during this time, and once students return in the fall, schedules will be finalized and locked. At that point, we are unable to accommodate schedule change requests.

Approved schedule change criteria:

Educational Reasons:

- Received a C- or below in a previous class in the department
- Failed another class with this teacher
- There is a hole in your schedule
- Injury/Health issues – documentation required
