

FAQs for Transitional Kindergarten in the Fullerton School District (2026-2027 School Year)

1. What is Transitional Kindergarten (TK)?

Answer: Transitional Kindergarten (TK) bridges the path between early preschool and Kindergarten and gives students the gift of time to help them build a strong foundation for future school success. It blends social and emotional experiences with academic learning so that students learn essential pre-literacy, pre-math, and other cognitive skills and develop social and self-regulation skills needed to succeed in school and life.

It's aimed at giving young learners a strong foundation and preparing them for success in kindergarten and beyond.

2. Who is eligible for TK in the Fullerton School District for the 2026-2027 school year?

Answer: For the 2026-2027 school year, children who turn 4 years old by September 1, 2026, are eligible for TK in the Fullerton School District.

4. What if my child's birthday falls outside of the TK eligibility window?

Answer: Children with birthdays outside of the TK birthday window are encouraged to enroll in preschool programs or Kindergarten based on their age. See the [FSD Preschool website](#) for resources and guidance for parents seeking preschool options.

5. How can I register my child for TK in the Fullerton School District? What if I have questions about a transfer?

Answer: To register your child for TK, follow these steps:

Visit the Fullerton School District's official website and navigate to the [registration](#) section. Online Registration begins on 2/23/26. Please see the [CWA website](#) if you have questions about Open Enrollment and transfers.

6. Is TK mandatory for eligible children?

Answer: No, TK is not mandatory.

7. What does the TK curriculum cover?

Answer: The TK curriculum focuses on early literacy, mathematics, social-emotional learning, and physical development, emphasizing play-based and experiential learning. It aims to cater to the whole child, fostering readiness for kindergarten's more structured learning environment. The curriculum is designed for students 48 months - 60 months and is guided by Preschool Transitional Kindergarten Learning Foundations.

8. What is the daily schedule for TK in the Fullerton School District?

Answer: While specific schedules can vary by school, TK follows the elementary school kindergarten day, with adjustments made to suit the developmental needs of younger children. This includes a blend of instructional time, play, rest, and meal times.

9. Is there a cost for TK?

Answer: TK is a free public education program offered by the Fullerton School District. There are no tuition fees for attending TK.

10. What is the teacher-to-student ratio in TK?

Answer: 10:1 student/adult ratio.

11. How does TK prepare my child for Kindergarten?

Answer: TK focuses on building foundational skills in literacy and math, along with important social-emotional competencies. This early start helps children adjust to the school environment, develop critical learning skills, and enter kindergarten with confidence.

For the most accurate and up-to-date information regarding Transitional Kindergarten registration and guidelines, please refer directly to the Fullerton School District's [website](#) and California Department of Education [website](#).
