Starting in 2024-25, Alameda Unified School District implemented a new more equitable grading policy. Under the Assessing Students Accurately grading for equity policy the range for a failing grade is no longer 0-59% but 50-59%.

A	B	C	D	F
90-100%	80-89%	70-79%	60-69%	50-59%

Only grades that are passing ("D" or above) are used to award credits towards graduation.

GPA: Grading scale for calculating GPA: A= 4, B= 3, C= 2, D=1, F=0. AP or honors courses are weighted on a 5.0 scale (A=5, B=4, C=3).

Alameda High does not rank students.

Community Service: Students have a 20-hour community service requirement to graduate.

Alameda High adopted the Integrated Math model in 2024-25.

Students are limited to four AP or Honors classes 11th/12th grade years. Limited students may take an additional AP or Honors class with special approval by the principal and seat availability. Note that 9th grade students do not have access to AP or Honors classes. 10th graders have access to a maximum of two AP or Honors classes. Students are allowed one math and one science class per year. Students interested in additional coursework in those areas are entered into a lottery pending space availability.

Honors Classes: Precalculus, French 4 (new 2025-26), Mandarin, Spanish

AP Classes: English Language, English Literature, Calculus AB, Calculus BC (not offered 2024-25), Statistics, Computer Science A, Computer Science Principles, Government, US History, Spanish,
