General Consent for Queries of the Minnesota Department of Public Safety, Driver and Vehicle Services; driver's license record

I, _____ (Driver legal Name – print), hereby provide consent to ISD 743 – Sauk Centre Public Schools to conduct a query of my driver's license record from the Minnesota Department of Public Safety, Driver and Vehicle Services. This consent further authorizes future queries to be conducted, at least one time per year, as long as I remain employed by Sauk Centre Public Schools and scheduled to transport students.

I understand this query will be used to determine driver eligibility based on the record received from the Minnesota Department of Public Safety and will not be shared with any other organization and will be retained for audit purposes in compliance with "permissible use 13" of the Minnesota Department of Public Safety, Driver and Vehicle Services Records Access Agreement.

I further understand that if I refuse to provide consent for Sauk Centre Public Schools to conduct a query with the Minnesota Department of Public Safety, Driver and Vehicle Services, this may be a condition of my employment or driving privileges with Sauk Centre Public Schools.
