

LOGAN ELEMENTARY PTSO eBACKPACK

January 12, 2026

Logan Community Service Day - Monday, Jan. 19

Logan PTSO is excited to host the **2nd Annual Community Service Day on Monday, January 19th from 11am-1pm in Logan's Multi-Purpose Room**. This year, we are supporting two non-profit organizations, Ronald McDonald House Ann Arbor (RMCH) and Food Gatherers, the local food bank and food rescue organization for all of Washtenaw County.

For Ronald McDonald House, we will be making fleece blankets that will go in welcome packages to provide comfort to hospitalized children who have families staying nearby at the Ronald McDonald House. The fleece for the blankets has been generously donated. If you'd like to bring extra fabric scissors when volunteering, that would be helpful.

For Food Gatherers, we are preparing Lunches with Love for the Community. Your Donations are Welcome! We are looking for parents and community members to help donate food and time to help make this a big success.

Please review the links below which include a sign-up for volunteering on Jan. 19, and the link to the food items needed. If you have any questions, please email Matt Bowden at mattbowden32@outlook.com.

- **Please sign up to volunteer at Service Day on Jan. 19 [HERE](#).**
- **Day of lunch packing items that are needed can be found [HERE](#).**
(Please drop off non-perishable food items the week of 1/12/26 until the day of the event 1/19/26 at 11am. PTSO will provide a box near the office labeled 'Service Day')

If families want to donate to Food Gatherer's outside of Service Day, details can be [found here](#):

Thank you for your support!

Logan Science Fair - New Information!

Logan Science Fair - Thursday, February 5, 6:00 - 7:30PM in Logan's Multi-Purpose Room

All Logan students, Young 5's through Fifth grade, are invited to participate in our non-competitive Science Fair. Please come and explore something in science that is exciting

to you! Anything related to science is acceptable including a collection, experiment, presentation, model, or demonstration.

Logan Science Fair Guidelines

- **Exhibit Size:** Outside dimensions must not exceed: Depth (front to back) 30 inches, width (side to side) 48 inches, height (Top to bottom) 60 inches for tabletop display and 84 inches for a floor display.
- **Requirements:**
 - Include your name(s), teacher's name, and grade prominently displayed on the front of the exhibit
 - The project should be self-supported and not dependent on a wall
 - Please ensure your project is safe for school and sharing with your classmates.
- **Due Date:** Finished Projects to be dropped off Thursday, February 5th: 3:45 – 4:30 pm.

Participation Forms Due: Friday, Jan. 30

Complete the [Google form](#), return the paper form to your child's teacher or drop off at Logan main office in PTSO box

(ALL 5th graders are participating, so no forms need to be filled out by 5th graders)

If you have any questions, please contact Irina Zhang at irina0101@yahoo.com.

Volunteer Opportunity - Resource Room

Mrs. Brooks in the Resource Room is looking for **parent volunteers** to create **speech-to-text accommodated Google Slide decks for the Arts & Letters curriculum**. This work will support students who use speech to text accommodations daily in their classrooms. Each slide deck takes about 2 hours to create and there are 14 decks to create.

If you're interested in helping out, please contact Rose Brooks: brooks@aaps.k12.mi.us

Tinsel and Treats Thank You!

A heartfelt thank you to the Logan community for the incredible spread of cookies and treats donated for our amazing staff!

Your generosity was a wonderful way to show appreciation for all the hard work our team puts in, especially leading up to the holiday season. We truly value your kindness and support—thank you again for making this gesture so special!
