## 1.0 Prom/Scholarship Nights

Hayfield experienced a couple of wonderful evenings. First, Prom went off without a hitch. Our students are to be commended for their outstanding behaviors and levels of responsibility throughout both Prom and post-Prom.

Scholarship Night was equally rewarding. Nearly $40,000 was awarded to a great group of young adults.

## 2.0 Graduation

Graduation rehearsal has been moved to Friday morning due to a scheduling conflict with the Gopher Conference Golf Tournament. Jess and I will need to know what board members are planning to attend, along with who is speaking and handing out diplomas.

On a difficult note, Tracie Bestor and I are concerned with 10 senior students hovering in a “may not make it” danger zone. The drop-dead date for walking at graduation is COB, Wednesday, May 22, 2024. We believe most of the 10 may pull it together and cross the finish line.
