Dear Gregg and School Board:

What an honor it has been to be able to have this amazing opportunity teaching part-time! Sharing a Kindergarten position with Colleen Fish is an absolute dream and we are thrilled that you guys have valued it as much as we have! As you have seen, we work so well together and feel we are better teachers because you all have allowed us to use our teaching craft as a job share.

In order to continue this part-time dream, I would ask that you would approve my request once again to go from a 1 FTE to a .5! This amazing situation not only benefits my family, but also greatly increases our students' learning! We are always fresh, always happy, and always ready!!!

Thanks for your consideration for another year!
