

PRINCIPAL'S MESSAGE

September 2025

It is my pleasure to welcome our students, parents and staff back to another great year at The Surfside School ~ PS 329...Our mission, to utilize our expertise to ensure that all of our students develop the self esteem, self confidence and leadership skills needed to become productive citizens is undying ...

Our 2025 school-wide theme, "Powered By Passion...Inspired By Excellence..", highlights our Passion to be the best that we can be on our continuous journey towards Excellence..

With a focus on Empowerment, we instill in our school community that preparation and perseverance are the elements of success. Last year, we saw the results of this commitment.

Our students achieved a **30% improvement in English Language and Mathematics** — a remarkable milestone that reflects our dedication and the hard work of our students, staff and families!

This year, our challenge is to go even further. While Believing in our ability and Embracing the hard work, we will let our passion guide us, remembering that , excellence isn't a destination — it's a journey, and every one of us is capable of walking it with pride.

I have confidence that the 2025-2026 school year will be successful and with your continued commitment, I know that we will empower, inspire and elevate your children to their highest level of academic achievement...

I am looking forward to working with each of you as we continue to reign as,

"Coney Island's Best Kept Secret..."

Sincerely!!!!...
