

ELEVATE YOUR DISTRICT-WIDE MTSS & MEANINGFUL ACCESS

BY PARTNERING WITH A
STRATEGIC INTEGRATION LIAISON (SIL)

OUR PARTNERSHIP

The Strategic Integration Liaison and District Leadership Team will collaborate to facilitate systems-level change by supporting the implementation of a **Multi-Tiered System of Support (MTSS)** and **Meaningful Access** while integrating, and aligning to **district-based TEA Initiatives, Grants and Frameworks**.

Through the use of **Executive Coaching and Design Thinking Strategies**, your District Leadership team will work with a SIL to increase capacity while developing and implementing sustainable systems that result in improved outcomes for all students.

These services will be provided at no cost to the district.

ANALYZE DATA

Use quantitative and qualitative data in root-cause analysis to determine LEA's needs, priorities, and goals.

ALIGN SYSTEMS

Align statewide initiatives and resources to LEA strategic goals, activities, and priorities with the TEA and ESC ecosystem of support.

COACHING SUPPORT

Collaborate with LEAs through relationship building, executive-level coaching, systems-level change, and strategic planning.

CHANGE MANAGEMENT

Systems thinking and design for strategic planning, aligning resources, professional development, and systems coaching to support LEA goals.

Scan to complete the MTSS District Leadership Survey and share your needs for support/services.
