About LPS

Located in Frisco, TX, Leadership Prep School is dedicated to ensuring our students are career-ready when they graduate. Through a rigorous, leadership-focused curriculum, we provide real-world experiences that help students build their portfolios and prepare for future success.

Technology-based teaching and creative approaches.

Our Partnership Opportunities

Job Shadowing & Internships

- High school students (grades 8-12) spend 1 to 15 hours per year shadowing professionals.
- We need to place up to 500 students a year.

Guest Speaking Engagements

- Share your industry expertise at our weekly Lunch & Learns and Leadership classrooms.
- Topics can include career choices, professional behavior, stress management, and more.

Job Tours

- Open your doors for a guided tour of your facility.
- Let students experience your work environment and understand various job roles.

Donations & Sponsorships

- Support our career events, student awards, and special projects.
- Provide sponsorships for items such as snacks, giveaways, or gift certificates.

Business Advisory Council

- Join our council to help guide curriculum development and program innovation.
- Collaborate with educators and industry leaders to ensure our training meets the evolving needs of today's workforce.

Mock Interviews with Students

- Conduct simulated interviews to prepare students for real-world job applications.
- Offer constructive feedback and insights into effective interview techniques.
