wanic@digipen.edu | academy.digipen.edu | (425) 629 -5007

**College credit is optional and eligibility depends on successful course completion.*

DIGIPEN SCHOLARSHIPS FOR WANIC STUDENTS

High school students attending the full-year WANIC program have the opportunity to transition from secondary school to DigiPen in a financially beneficial way. If you are currently enrolled in WANIC, keep the following scholarships in mind.

PRESIDENT'S TECHNOLOGY ACADEMY MERIT SCHOLARSHIP

Degree Restrictions: Available for the BFA in Digital Art and Animation, BA in Game Design, and BA in Music and Sound Design degree programs only.

DigiPen offers three merit-based scholarships available to incoming students who attended a DigiPen Technology Academy or DigiPen Animation Academy program as a high school course through WANIC, Puget Sound Skills Center, New Market Skills Center, or Pierce County Skills Center and have been admitted into an undergraduate art, music, or game design degree program at DigiPen Institute of Technology. One scholarship is offered to each of the degree programs.

50%

OF FIRST-YEAR TUITION

Up to 50% of first-year tuition per year. Renewable for up to four years.

Based on 1st year rates, scholarship value of **$19,860 per year** (equivalent to an entire semester or 1/2 an academic year), **$79,440 over 4 years**.

PRESIDENT'S TECHNOLOGY ACADEMY MERIT CS SCHOLARSHIP

Degree Restrictions: Undergraduate computer science degrees.

DigiPen offers this merit-based scholarship to all incoming students who attended a DigiPen Technology Academy or DigiPen Animation Academy program as a high school course through WANIC, Puget Sound Skills Center, New Market Skills Center, or Pierce County Skills Center and have been admitted into an undergraduate computer science degree program at DigiPen Institute of Technology.

50%

OF FIRST-YEAR TUITION

Up to 50% of first-year tuition per year. Renewable for up to four years.

Based on 1st year rates, scholarship value of **$19,860 per year** (equivalent to an entire semester or 1/2 an academic year), **$79,440 over 4 years**.

WANIC SCHOLARSHIP

Incoming students who have successfully completed a college transfer course through the WANIC program with a grade of B- or better and choose to retake the same class at DigiPen Institute of Technology will receive a scholarship covering the tuition for that class. This is valid during the first year of enrollment at DigiPen. Given that the tuition per credit for the 2025-2026 academic year is $1,370, a typical 3-credit course would cost approximately $4,110. This scholarship ensures that students can retake such courses at no additional cost.

WANIC students can take up to 3 to 5 DigiPen College credit classes over 2 years, which results in

$4,110 to $23,290
