## Multiply the Possibilities: Math Curriculum Publisher Fair

Join us for an interactive Math Materials Fair to support Districts in selecting high-quality core math programs aligned to the 2023 California Mathematics Framework.

At this event, participants will:

- Meet with multiple publishers to compare programs and ask questions
- Explore print and digital materials firsthand
- Watch live demonstrations of instructional design, digital tools, and lesson features
- Collaborate with district teams to reflect, plan, and identify next steps for adoption

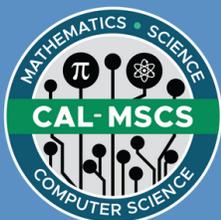

Who Should Attend?

- TK–12 teachers
- Math leaders
- TOSAs/Coaches
- Administrators
- Curriculum Committees
