Elective Portal & Waivers Window: Thursday, January 22 at 9:00AM until Friday, January 30 at 4:00PM

Section 1 - Core Courses

Guidelines

- Your current teachers have made recommendations for core courses.
- During the Elective Portal window, students must verify core course recommendations and make additional elective course selections.
- If you disagree with the core course recommendation, you can just complete the online course waiver form on the EFHS counseling website.
- Course numbers that end in "y" are year-long courses. Courses that end in "s" are semester courses. Students who select a semester course must select two 's' courses to balance their schedule.
- Select the number of elective courses needed to equal seven total courses (core + electives = 7). You must also select three alternate electives.
- In the elective portal, you will see 100% complete at the top when you have a complete schedule.
- Courses with a (*) indicate a HOPE Rigor course
