Introduction of new members:

- Bing - 5th grader and 3rd grader, went to McKinley, grew up here, came back to Santa Monica to raise the children
- Steve - 3rd grader and 1st grader, grew up in Santa Monica, dialed in to the community

Introductions of all in attendance

PTA share out - Lacy

- This year has started smooth just finished book fair in person but still going on line,
- BTS picnic went well
- Bake sale for 5th grade went well
- Carey Upton(SMMUSD Facilities) gave update re: construction
- Hispanic Heritage event is being planned
- PTA meetings are well attended
- Claudia Bautista and others will be addressing the emotional needs as it relates to ICE
- Focus is more volunteers
- Need a teacher to join the exec board, discussed that a teacher is really needed and how can we make sure that we get someone to be able to join the monthly meetings which is during the day, potentially getting 2 teachers to share the dates so that they will not have to miss so many days, teachers need to be really clear what this job entails so Lacy will create a blurb that can go out to teachers so they have information before they confirm if they will be a part of this board, Amy will put it in the Revue again, Dana DeGregario may be able to be the teacher

Conversation regarding parents signing up to come out to Parent Connect, the school is providing 2 section

Construction update
Its been quiet at this time but tomorrow will be around 30 trucks for concrete pour tomorrow

Dr. O provided SSC training using the district provided presentation

Any additional items to discuss?

- LW ask- Will we ever talk about the Malibu split? No one had enough information to discuss
- What is the scope of what we address? The formation and upkeep of the SPSA

Next meeting we need to vote on a chair and co-chair
