1 INTRODUCTION

Giggleswick School is committed to safeguarding and promoting the welfare of all its students in line with the *Independent Schools Standards Regulations*, the *Boarding Schools National Minimum Standards (2022)*, *Keeping Children Safe in Education (KCSIE 2025)*, and *UKVI Student Visa* requirements.

All students who reside overseas are required to have a Guardian whilst studying at Giggleswick School regardless of age. Guardianship provides another means of support for an overseas student whilst they are in the UK, providing a supportive network outside the school who they can turn to for assistance or advice. The Guardian will also provide accommodation when the School is closed or when it may be impractical for the student to travel home. The Guardian will have shared delegated parental responsibility; the role of the Guardian complements the requirement of the Houseparent to act in 'loco parentis'. Effective partnerships between School staff and Guardians will safeguard the welfare of overseas students

This policy outlines the expectations and requirements for educational guardianship, particularly for international students under the age of 18, in accordance with UK Visas and Immigration (UKVI) guidance and best practice across the independent school sector.

2 SCOPE AND PURPOSE

This policy applies to:

- All students whose parents reside overseas.
- Parents and legal guardians of students who reside overseas.
- Appointed educational guardians.
- Giggleswick School staff involved in safeguarding, pastoral care, admissions and international student support.

The purpose of this policy is to:

- Safeguard and promote the welfare of pupils.
- Ensure there is always a responsible adult in the UK available to support the pupil.
- Clarify legal and safeguarding responsibilities between parents, guardians, and the school.
- Meet the standards required by ISI, NMS, KCSIE, and UKVI.
- Make known to parents that the school reserves the right to determine the acceptability of arrangements made for students while they are residing out of school and should the arrangements be proven

unacceptable, give parents and guardians reasonable opportunity to change arrangements.

- To provide details on how communications between Giggleswick School, overseas parents and educational guardians will operate.

3. DEFINITION OF EDUCATIONAL GUARDIANSHIP

An **educational guardian** is a responsible adult or organisation appointed by the parents of an overseas student who has delegated responsibility for the pupil when the parents cannot be immediately available. The guardian must be:

- Over 25 years of age.
- Resident in the UK.
- Fluent in written and spoken English and able to provide a point of contact for the School 24 hours a day in case of emergency.
- Available to support the student in emergencies, during holidays, and at other times when the school is closed. For this purpose, the Guardian should reside within three hours' travelling distance from the School, by either car or public transport

4. UKVI COMPLIANCE

In line with UKVI immigration changes (2025), Giggleswick School requires:

- All international students under 18 to have a UK-based educational guardian.
- The Educational Guardian and/or Guardianship providers must be accredited or certified by the Association for the Education and Guardianship of International Students (AEGIS) or by the Boarding Schools' Association (BSA), unless it is a family member or friend who meets the guardianship conditions as set out in this policy.
- The Educational Guardian to hold British or settled status.
- Guardianship arrangements to be in place before the student arrives in the UK. Where international students need to apply for a student visa in order to study in the UK, the required CAS (Confirmation of Acceptance to Study) number will not be issued until the School is satisfied that appropriate Guardianship arrangements are in place.
- Guardianship details to be submitted to the school and updated as necessary.

5. RESPONSIBILITIES OF THE EDUCATIONAL GUARDIAN

The guardian must:

- Provide a safe and welcoming environment during school holidays or in emergencies. This includes periods of long-term illness and disciplinary measures. Regardless of the child's age, unsupervised stays in hotels, bed and breakfast accommodation or University Halls of Residence do not provide an adequate level of accommodation or care.
- Attend parent-teacher meetings and represent the parents when necessary.
- Be available to liaise with the school regarding pastoral, academic, and welfare matters. To be familiar with the School's rules, regulations and policies and support the Giggleswick School Values.
- Ensure the student complies with visa conditions and UK laws and ensure that legal documents such as visas and registration documents are kept up to date and renewed/updated when necessary.
- Act in loco parentis in emergencies, including medical consent. If Guardians are going to be away from their UK home, for however short a time, they must notify the appropriate Housemaster/Housemistress. They must give full contact details for the period of absence and the name and address of a responsible person in the UK, fully authorised by the parents to act on their behalf.

5.1 PRIVATE FOSTERING

Private Foster Care Arrangements. Private fostering is any arrangement whereby a child under the age of 16 (or 18 if the child has a disability) is placed for 28 days or more in the care of someone who is not the child's parent(s) or a 'connected person'. A connected person is defined as a 'relative, friend or other person connected with a child'. The School must notify the local authority of any private foster care arrangements, and will do so on a case-by-case basis

6 RESPONSIBILITIES OF PARENTS

Parents retain overall legal and parental responsibility for their child at all times. Parents are required to:

- Appoint a suitable guardian before the student arrives in the UK.
- Complete the Educational Guardian Parental Consent Form (see Annex A).
- Ensure the guardian understands and accepts their responsibilities and has completed the Educational Guardian Form (see Annex B).

- Inform the school immediately of any changes to guardianship arrangements in writing to the school.

7 RESPONSIBILITIES OF GIGGLESWICK SCHOOL

The school will:

- Maintain accurate records of guardianship arrangements.
- Contact the parents and Educational guardian in case of emergencies or concerns.
- Ensure that students are not left without appropriate care during holidays or school closures.
- Provide support and guidance to students, parents and Educational guardians as needed.

8 SAFEGUARDING AND WELFARE

All guardianship arrangements must comply with the school's safeguarding policies and UK child protection laws. Giggleswick School reserves the right to reject guardianship arrangements that do not meet safeguarding standards. Guardianship arrangements must never compromise the safeguarding or welfare of the child.

9 MONITORING AND REVIEWING

This policy will be reviewed annually by the DSL, Head and Governors or more frequently in response to changes in UKVI guidance or school procedures.

Welcome to Giggleswick School!

We know that applying for a visa can feel a little daunting — but we're here to make this part of your journey to Giggleswick as smooth and straightforward as possible.

If your child is a UK or Irish citizen, you do not need to apply for a visa. For all other nationalities, a Child Student Visa will be required.

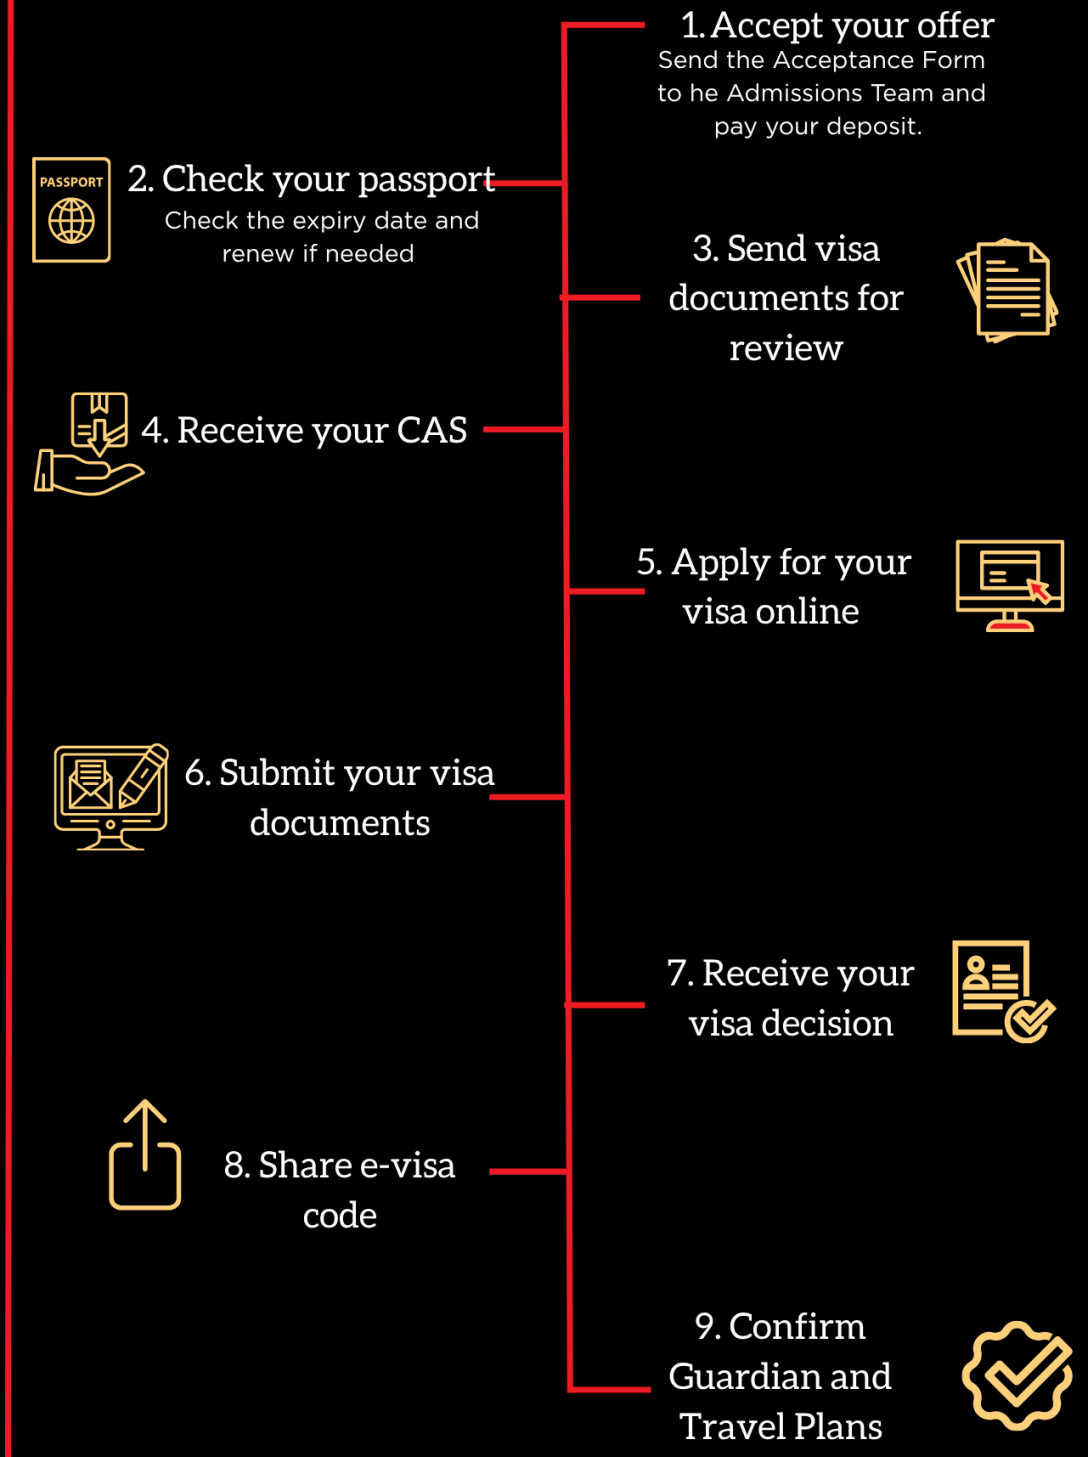

Please also check your child's passport — it must be valid for travel and have sufficient time remaining. If it's due for renewal, please arrange this as soon as possible, as a valid passport number is required before we can issue your CAS (Confirmation of Acceptance for Studies).

Our friendly Admissions Team is always happy to help — if you have any questions, please contact us at

Step-by-step visa process

When to Apply

Timing matters — applying too early or too late can delay your visa.

- Outside the UK: You can apply up to 6 months before the course starts.
- Inside the UK: You can apply up to 3 months before the course starts.
- The visa application must be submitted within 6 months of receiving your CAS.

⚠ Important:

You cannot travel in or out of the UK while your application is being processed. The application date is when the online form is submitted and payment is made.

Health Care and Visa Fees

When you apply for the Child Student Visa, two fees must be paid online:

1. Visa application fee: £524
2. NHS Healthcare Surcharge: £776 per year of study this is also known as the IHS fee.

The NHS surcharge gives your child access to the UK's National Health Service during their stay — even if you also have private insurance.

You'll pay both fees during the online visa application.

Tuberculosis (TB) Certificate

Your child may need a TB test if they live in one of the countries listed by UKVI.

- The test must be done at a UKVI-approved clinic.
- A negative certificate is valid for 6 months and must be included in the visa application.

You do not need a TB test if:

- Your child has lived in a country not listed by UKVI for at least 6 months, or
- They are a returning UK resident who has been away for less than 2 years.

👉 Check the full country list and approved clinics on the UK Government website.

Visa Decision and Next Steps

Once your visa has been processed, UKVI will send you a decision letter.

If successful, you will receive either:

- A 90-day visa vignette (sticker in your child's passport), or
- An online share code showing your child's immigration status.

 Important:

Please email your share code or vignette details to cas@giggleswick.org.uk as soon as you receive them.

We will also check your child's visa details on their first day at school to ensure everything is in order.

Processing times vary — check the latest information on the UKVI website.

Faster (priority) services are available for an additional cost.

Documents that you need to share with us

- 🇬🇧 Show that you can pay one year's boarding fees.
