## THE SCHOLARSHIP INTERVIEW

The following scholarship committees will be conducting personal interviews: Ziegler Family Foundation Fund, Rolfs Educational Foundation, Froedtert West Bend Hospital Foundation, COLUMNS, Froedtert West Bend Partners, the Froedtert West Bend Partners Volunteer Program, the Mauland Cross Country Scholar Athlete, and the Optimist Club – Fran Wajer Memorial Scholarships. The first four committees will interview together so you will be meeting with as many as 8-10 people at the time of your interview; the last four scholarship committees will select the students to be interviewed and interview information will be sent out to just those students. All interview committees choose their scholarship recipients.

We realize that many applicants are more effective than others in an interview situation because they are able to talk freely about their accomplishments, service to school and community, and plans for the future. The following guidelines may help you:

- Think about the message you send by the way you dress
- Be prepared to “sell yourself”
- Maintain eye contact
- Discuss any honors or awards you have won
- Expect to expand on information you have on your application.
- Use of proper English
  - Yes instead of yeah
  - Be specific when describing your activities, interests, etc.
  - Try to stay away from umm, and like
  - Received instead of have gotten
- Use humor when appropriate
- Be ready to elaborate on your career goals
- Practice answering questions with your parents or friends
- Be prepared to discuss:
  - What you have done to prepare for your future (courses, jobs, volunteer work, etc.)
  - The estimated cost of your education
  - How you plan to meet those expenses
  - Any experiences you have had which relate to your chosen career

Be sure to thank the committee for their time at the end of your interview.

\*\*\*\*\*

Students are reminded NOT to make vacation or college visit plans the week of March 10th, as these are the only days that the scholarship committees will be interviewing. If you are not in school these days, you will not be part of the interview process for scholarships.

## **DATES TO REMEMBER**

Read this Guide very carefully, fill out the checklist, and go to the West Bend School District website to begin completing your applications. Your checklist will determine the number of applications you need to complete and make copies of. Do not fill out the checklist if you have questions. ## INFORMATION & APPLICATION REMINDERS

Local scholarships provided by industries, organizations, and individuals are not restricted to students pursuing four-year college programs. Many scholarships are open to students who plan to enroll in technical programs (business, cosmetology, nursing, auto mechanics, x-ray technology, etc.). Some scholarship programs have restrictions regarding rank in class; some stress financial need as one of the major criteria. Grades in special interest areas are important! Applicants for technical scholarships are urged to submit a letter of recommendation from a teacher in his/her major area. Usually, a local scholarship will not be awarded to a person who has received another substantial scholarship. Be sure to include all information asked for by the scholarship organization (letters of recommendation, essays, etc.).

Scholarship recipients are selected by the organizations offering the scholarship, **not** by any high school staff member. The high schools provide the information the committees ask for to aid them in making a decision (i.e., grade point averages, test scores, etc.).

Each scholarship is designated **Technical, Academic, or Technical or Academic**

**ACADEMIC** Students who are planning to pursue four-year (Bachelor's Degree) college programs are eligible.

**TECHNICAL** Students who are planning to pursue a program that is up to two years in length are eligible. All programs qualify whether they are offered at technical colleges, business schools, beauty schools, hospital schools of nursing, etc.

### **THINGS TO REMEMBER**

1. Applicants be sure to include a letter of recommendation, if and only if, requested by the scholarship organization.
2. Technical applicants are encouraged to submit a letter of recommendation from a teacher who can speak to your intended educational goal.
3. Be sure to include an essay if requested by the scholarship organization.
4. Staple a copy of your Volunteer Hours Report to each of your completed applications. All volunteer hours submitted to the Career Readiness Center by Friday, January 17th, will be listed on your report. Make a request for an official Volunteer Hours Report no later than Friday, January 31st so you can staple copies to all your applications.
5. Applications AND a Checklist are to be turned in to Mrs. Barnes in the Career Readiness Center by Thursday, February 13th by 3:00pm, or earlier.
6. Staple a copy of your transcript and ACT report to each of your applications.
7. Interview dates are March 10th - 14th, 2025
8. Students will be informed of their interview date and time around March 1st. If you do not receive a letter, it is your responsibility to see Mrs. Barnes in the Career Readiness Center or email her at [abarnes@wbsd-schools.org](mailto:abarnes@wbsd-schools.org) to check on your interview date.
9. Early graduates are also responsible for checking on the interview dates and time by calling or emailing Mrs. Barnes at 262-335-5405 or [abarnes@wbsd-schools.org](mailto:abarnes@wbsd-schools.org)

### **ABOUT COLUMNS:**

Dedicated to the development of academic-degree and vocational-technical scholarships, West Bend COLUMNS is a uniquely local program with a mission to encourage graduates of the West Bend High Schools to continue advanced education by providing academic and technical scholarships.

COLUMNS was created in 1972 when the West Bend Community High School's Alumni Foundation (1962) and the West Bend Scholarship Fund (1965) merged. Both organizations existed with the same purpose of providing financial aid to qualified West Bend High School students. The result was the West Bend Community & Alumni Scholarship Foundation, Inc. (COLUMNS).

Scholarship funds are provided through the generosity of friends and alumni of the West Bend High Schools. COLUMNS offers scholarships from its own managed funds and it administers a number of awards sponsored by individuals, families, and organizations in the community. You can find out more about COLUMNS, including how to get involved with the organization, at [wbcolumns.org](http://wbcolumns.org).

### **ABOUT THE SCHOLARSHIPS:**

Scholarships are categorized as **Academic**, awarded to students pursuing a four-year college or university degree, and **Technical**, awarded to students pursuing an educational program at a vocational or technical college. The scholarships listed here are provided by, administered by, or interviewed by COLUMNS. Each description provides a brief history of the scholarship as well as the eligibility criteria.

### **IMPORTANT REQUIREMENTS:**

All students who apply for scholarships listed here will be interviewed by COLUMNS. The COLUMNS interview committee will determine the scholarships for which you are eligible, based on the information included in your application and/or during the interview. Some scholarships are chosen based on the school you plan to attend or career or major you plan to pursue. Note that if those plans change, the scholarship may be forfeited.

Fill out the application form carefully and completely, and include any attachments that may be required (for example, letters of recommendation or essays.) **Only one COLUMNS application form must be filled out for all scholarships listed under COLUMNS; however, you must submit four copies of that application.**

Some awards are paid out once, but others are paid out over multiple semesters or years. For any scholarships with multiple payments, students must provide transcripts as evidence of their progress in school. At a minimum, Academic scholarship students must maintain at least a 2.0 college GPA and full-time status, and Technical scholarship students must maintain at least a 2.0 GPA in their post-secondary schooling. Stricter requirements may be established by the donors of specific scholarships.

Applicants must have attended at least their last two years of education in the West Bend High Schools in order to be considered for all COLUMNS scholarships.
