

Roots and Branches Scholarship

Name:

East West

Address:

E-mail:

Years you have been at the West Bend High Schools:

Member of S.E.E.D: Y or N

Taken AP Environmental Science: Y or N

Why is it important to take care of our environment?

Defend why community service should be a graduation requirement?

Give a specific example of how your work in the community has helped others and made a difference.

Why are you interested in an environmental degree? What would your ideal job be upon graduation with an Associate's Degree or a Bachelor's Degree?
