

Middle school programs are especially designed to meet the educational and social needs of young adolescents. The middle school provides a gradual and caring transition between the elementary school and the high school.

BAND OR STRINGS

Students are expected to purchase or lease their own instruments. Prospective members should consult with the director prior to purchasing an instrument.

Students will receive Carnegie units for successfully completing the following courses while in middle school.

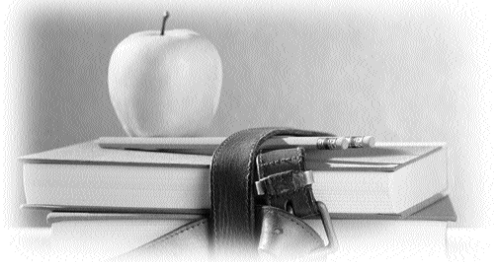

- Compacted Math 7
- CCR Math 8
- CCR Math Grade 8 with Algebra I
- Mississippi Studies
- Introduction to World Geography
- Business and Technology Courses
- Foreign Language

ACCELERATED COURSES

Accelerated courses are offered to middle school students who have demonstrated exceptional capability in terms of their level of academic achievement. We recognize that motivation is the key to learning. Therefore, these courses are made available to students based on teacher referral, student performance on standardized tests, and grades.

INDIVIDUAL SUCCESS PLAN

All 7th and 8th grade students are required to have an academic career pathway and an endorsement option selected on their Individual Success Plan (ISP) via Major Clarity.

ACADEMIC AND PERFORMING ARTS COMPLEX

APAC classes are scheduled for students who have been accepted by evaluation or audition.

INTERNATIONAL BACCALAURATE - MIDDLE YEARS PROGRAM

MYP classes are scheduled for students who have been accepted into the program by evaluation.

ADDITIONAL INFORMATION

Please note we will do all we can to honor the student's course request, but we reserve the right to make changes based upon the student academic needs or course availability.

The deadline to make your course request in Active Student is Wednesday, February 4, 2026. Your scholar's professional counselor will provide you with the directions.
