

PTSA Meeting-Wednesday 12/17

(10 in attendance)

Mrs. McElmurry joined us to talk about urgent volunteer opportunities.

Attendance celebration on Friday- need help bagging popcorn, picking up/delivering pizzas, and assisting with reindeer games.

Everyone chipped in a we got it taken care of 😊

Lori brought the wrestling and basketball schedules for January and February so we can get concessions organized and volunteers lined up for home games/matches. Sasha will create a signup for parents, and Lori is going to get a contact for us to get in touch with the coaches and then contact team parents for more help! Taryne will post sign up (once created) on Instagram and see if Mrs. M will post on the Hedrick pages.

Discussed food and drink options for selling, most cost effective and less waste. We came up with: cup of noodles, nachos, hot dogs, chips, candy, soda, Gatorade, and water. Several people signed up for shifts already-the goal is two adults per concession event, hopefully we get more interested parents!

We then had a lengthy discussion about the new pick up/drop situation and all of the struggle parents and staff have been dealing with. 😊

Next Meeting is Monday, January 12th at 5:30pm at Hedrick

See you then!
