### York School District One to begin Montessori Program Enrollment

York, SC – York School District One will begin enrollment for the district’s Montessori Program in the fall of 2026. For those interested in enrolling, the district will host an **information meeting for parents on Thursday January 22, 2026, at 6:00 p.m.**

York School District One offers two Montessori classrooms, hosted at Hunter Street Elementary School, providing education to children ages three through five. Families must apply for the program, and a lottery approach is used to complete classroom rosters. Through this hands-on, discovery approach to learning, students work at their own pace and experience a high rate of success.

The 2026-2027 Montessori Lottery Window will open Thursday, February 5, 2026, at 8:00AM and will close Thursday, February 12, 2026 at 5:00PM. District Officials will complete the lottery selection and families will be notified by email by Friday, February 20, 2026.

For more information about the Montessori program please visit [york.k12.sc.us/Montessori](http://york.k12.sc.us/Montessori) on the website to access answers to Frequently Asked Questions.
