

RASPBERRY ORANGE

DID YOU KNOW?

- Raspberry Oranges are a variety of oranges that are named for their deep red flesh.
- Raspberry Orange is a hybrid between the Pomelo and the Tangerine.
- Raspberry Oranges have a distinct, sweet flavor with a hint of Raspberry.
- Raspberry Oranges give our bodies vitamin A to keep our eyes and skin healthy.

FUN FACT!

Raspberry Oranges grow in hot, dry Mediterranean climates, such as Italy, Spain, and parts of California.
