

SDMC Meeting Agenda

December 16, 2025

4:00pm – 5:00pm via Face-to-Face

The Houston Independent School District (HISD) Board of Education established and approved the campus- level planning and decision-making process in 1992. This process includes the creation and maintenance of a Shared Decision-Making Committee (SDMC) at each school to review the district's educational goals, objectives, and major district wide classroom instructional programs. The SDMC must be involved in decisions related to areas specified by the Texas Education Code. The code states that the SDMC will be involved in decisions in the areas of planning, budgeting, curriculum, staffing patterns, staff development, and school organization.
