## Annual Notice to Parents and Students

Dear Parent/Guardian/Student:

This letter serves as the Mohawk Local School Districts Annual Notice to Parents and Students regarding technology privacy consistent with the Ohio Revised Code Sections 3319.325 - .327.

### **Technology Provider Contracts:**

A list of all technology providers that have access to Mohawk Local School Districts students' educational records for the purpose of providing curriculum, testing, or assessment services can be found [https://sdpc.a4l.org/district\\_listing.php?districtID=4918](https://sdpc.a4l.org/district_listing.php?districtID=4918)

If you have questions, please contact John Searfoss at [john.searfoss@mohawklocal.org](mailto:john.searfoss@mohawklocal.org)

### **General Monitoring of School-Issued Devices:**

The Mohawk Local School Districts, either directly or through a technology provider, is electing to generally monitor all school-issued devices (as that term is defined by R.C. 3319.325). The monitoring will include the following features: location tracking and student interactions with school-issued devices (e.g., keystrokes and web-browsing activity). The Mohawk Local School Districts generally monitor these features for the noncommercial education purpose of instruction, technical support, and/or exam proctoring.

Additionally, these features are generally monitored as a necessary precaution for preventing and/or responding to health concerns, and threats to life or safety.

Sincerely,

John Searfoss  
Director of Technology
