WHAT IS DUAL ENROLLMENT?

GAFutures Dual Enrollment Overview

WHAT IS DUAL ENROLLMENT?

Opportunity for 11th & 12th Grade students to earn high school & college credit at the same time (10th graders eligible based on SAT/ACT scores)

Tuition free opportunity

30 hour college credit limit

Does not count against a students HOPE hours

Offered fall, spring and summer terms

One full high school credit is earned in a semester of a Dual Enrollment class.

Students can only take DE eligible courses

IS DUAL ENROLLMENT RIGHT FOR YOU?

AP VS. DUAL ENROLLMENT CONSIDERATIONS

AP COURSES

- National standardized curriculum
- Take a test in May to receive college credit
- Can take at the high school
- No need to relocate
- No age requirement
- Most universities (in/out state) will accept the credit
- Year-long courses
- More options for support in school
- Not available in the summer

- Rigorous
- Rigor points for HOPE/Zell
- College credit
- Some prefer one over the other
- Final grades earned post on transcript

DUAL ENROLLMENT

- Not a standardized curriculum (college-based)
- Attend courses at the institutions or online
- Follows the college/university calendar (NOT FCS)
- All public universities in state will accept the credit
- Not all out of state universities will accept the credit
- Quarter/Semester long courses
- Less access to HS support
- Passing grade is a D
- Withdrawal posts (59) on high school transcript
- Retakes not available
- Summer available with no recovery option

POTENTIAL DRAWBACKS TO CONSIDER

CONSIDERATIONS

- Out-of-state and private colleges may not accept earned college credit
- Due to FERPA Privacy Laws, colleges cannot talk to parents about grades or attendance. Students must be responsible & motivated.
- There are major consequences to failing a Dual Enrollment class and all grades are required to be posted on your transcript.
- Students are managing two worlds - high school and college. *School breaks do not align; testing schedules may overlap.*
- The high school has no control over college grading, professor communication, college registration parameters, or college course scheduling.

I regret to inform you that you have been **dismissed** from the Dual Enrollment Program at the University of North Georgia due to unsatisfactory academic performance, as explained in the UNG policies cited below.

Dual Enrollment Standards of Academic Progress rule: Maintain a 2.5 GPA and complete 67% of all attempted classes. All Dual Enrolled students who fall below a 2.0 overall GPA will be **dismissed** from the program. Students who earn a 2.0 to 2.49 overall GPA will have one semester to raise their overall GPA to a 2.5. Failure to earn an overall GPA of 2.5 will result in dismissal from the program.

*If you are enrolled in Spring 2025 classes, those classes will be dropped on January 10th. Please do not pick-up your books from the UNG bookstore. If you believe there were extenuating circumstances that led to your dismissal and would like to discuss those, please email the Dean of University College, Dr. LaJuan Simpson-Wilkey (laajuan.simpson-wilkey@ung.edu), before the January 10th date.

LETTERS OF DISMISSAL

REVIEW COURSES

Review eligible courses on the Course Directory prior to meeting with your high school counselor or college Dual Enrollment advisor. The course directory is on www.gafutures.org.

The screenshot shows the Georgia Dual Enrollment website. On the left is a navigation menu with links: Eligibility, Funding and Award Amounts, Participating Colleges and Universities, **Course Directory** (circled in green), Application Procedure and Deadline, Home Study Programs, Frequently Asked Questions, and DE Parent Agreement. The main content area is titled "Application Procedure for Dual Enrollment" and contains sections for "Postsecondary Institution (college) Admissions Application" and "Dual Enrollment Funding Application". A green arrow points to the "Dual Enrollment Funding Application" section. In the top right corner, there is a "Print" button and an "Apply Now" button (circled in green). In the bottom right corner, there is a purple button labeled "Need to".

GAFUTURES

- Create an account on GA Futures and complete the funding application.
- www.gafutures.org

The screenshot displays the GAfutures website interface. At the top, the GSFC (Georgia Student Finance Commission) logo is visible. The main navigation bar includes the GAfutures logo and a 'HOPE & State' section. A modal window titled 'Have an Account?' is open, featuring a 'Sign In' button and a 'Create Account' link, which is highlighted with a red rectangular box. Below the login options, there are input fields for 'Username' and 'Password', each with a 'Forgot' link. The 'Username' field has a placeholder text 'username is lowercase', and the 'Password' field has a placeholder text 'Password is case sensitive'. A reCAPTCHA widget is present, including a checkbox for 'I'm not a robot' and a 'Sign In' button. A 'Cancel' button is located at the bottom right of the modal. The background of the website shows a collage of students in graduation caps. At the bottom, there are four main navigation buttons: 'Georgia Match', 'College Search', 'Scholarship Search', and 'Quick P' (likely 'Quick Pay').
