**Does Galloway provide care after camp?**
Yes. If you need care after a camp program, you may secure Camp+ by the week, 3:30-5:30 PM. Due to staffing needs, we are unable to sell by the day. This program is only available to our students participating in Camp Galloway or Middle Learning Summer Institute
.

**Does Galloway provide lunch?**
Yes. We are excited to offer a week of lunches for pre-purchase. You'll see this option during registration.

**What is Galloway's refund policy for summer programs?**
If cancellation is received in writing by May 1, 2026, then you will receive a full refund minus a $25 administration fee per camp. If cancellation is received in writing between May 2–May 15, 2026, then you will receive a 50% refund minus a $25 administration fee per camp.No refunds will be issued starting May 16, 2026 unless Galloway cancels the program. Should Galloway cancel a program for any reason, a full refund will be issued.

**What is Galloway's illness policy this summer?**
When you secure a camp for your student, it is reserved regardless of actual attendance. This means we do not discount missed days; however, we may be able to accommodate requests should a future week be available and the missed camp can be backfilled. Please contact our summer office to discuss should this situation arise.

**Do the programs fill?**
Yes. We cap our Camp Galloway programs to ensure a positive experience for our campers and based on the number of seats on our Galloway school buses. If you are truly excited about any particular week, we suggest you sign up sooner rather than later to secure your student's spot. Waitlists are applicable for all summer programs.

**Are Galloway programs only for Galloway students?**
About 60% of our attendees are Galloway students. The other 40% come from the Atlanta community. Everyone is welcome to participate!

**Questions?**
Please contact Kate Preis, Director of After School and Summer Programs, at kpreis@gallowayschool.org
