<p>[Dr. Doan] Hello. My name is Nicolette Doan.</p>	<p>Purple motion background with gold and white L S U Health Shreveport logo in the bottom corner Text: Department of Anesthesiology Residency Program</p>
<p>When I was interviewing for residency, one of the biggest things that I was looking at was location.</p>	<p>Young female doctor with a fair complexion, her dark hair is pulled into a messy ponytail. She is wearing green scrubs sitting on a dark leather chair. Text: Nicolette Doan, M D Anesthesiology Graduate</p>
<p>Being close to home, which is Dallas for me, as well as being able to couples match with my husband, who's an ENT resident here was very important. And so that's what drew as to Shreveport.</p>	<p>Dr. Doan still seated on chair Graphic: White box with purple font: Close to major cities</p>
<p>The other thing that really drew us here was the clinical experience. We see a wide range of patients from very sick patients to traumas. And so the clinical experience is amazing here to learn from.</p>	<p>Dr. Doan still seated on chair Graphic: White box with purple font: Diverse clinical experience</p>
<p>I think anyone who chooses this program will be very happy with their decision and that you will come out a great anesthesiologist because of it.</p>	<p>Dr. Doan seated</p>
