| <p>Couple of reasons why I chose this program. Number one, being the camaraderie among our residents,</p>  | <p>Young female doctor with a medium complexion, her dark hair is pulled into a ponytail. She is wearing green scrubs standing in front of a dark leather chair<br/>Text:<br/>Naina Singh, M D<br/>Anesthesiology Graduate</p>   |
| <p>whether we're studying helping each other with cases in the O.R. or taking weekend trips together, it's so great to be surrounded by close knit group of individuals.</p> | <p>Dr. Singh standing<br/>Graphic: White box with purple font:<br/>Strong Resident Interaction</p>   |
| <p>Secondly, our patient population here is very diverse, and that allows us to study complex disease processes.</p>   | <p>Dr. Singh on camera<br/>Graphic: White box with purple font:<br/>Diverse Patient Population</p>   |
| <p>And thirdly, our faculty here are very supportive and extremely dedicated to our training.</p>  | <p>Dr. Singh standing<br/>Graphic: White box with purple font:<br/>Dedicated Faculty</p>   |
