Lighthouse Schools are extraordinary examples for other schools to follow. The PEC is a school anyone the world over could visit to learn about and be inspired by the strength of the leadership model operating. We could not have achieved this honor without the support of our staff and families.

We look forward to sharing this celebration with you.

A lighthouse built from grey stone blocks sits on a rugged, grey rock cliff. The lighthouse has a white upper section and a dark lower section. Its lantern room is illuminated from within, casting a warm glow. The background shows a sunset over the ocean, with the sun low on the horizon, creating a gradient of colors from blue to orange. The text "Shine Your Light!" is overlaid in a bold, yellow, sans-serif font on the right side of the image.

**Shine Your
Light!**
