Math/Reading Interventions & Enrichment started

Welcome Back to School Assembly

Mrs. Rodriguez, Mrs. Brook & Mr. Suitor hosted an assembly for all students to review anti bullying policies, attendance, safety drills, IEC expectations & bus and lunchroom safety.

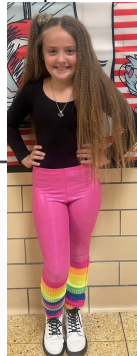

Spirit Week- September 29-October 3

Lewiston-Porter IEC

Show your school spirit and pride
during our annual SPIRIT WEEK!

September 29 - October 3, 2025

Monday	Tuesday	Wednesday	Thursday	Friday
29	30	1	2	3
				
Class Color Day	Orange Shirt Day	Favorite Sports Day	Pajama / Comfy Clothes Day	Green and White Day

National Custodian Day- October 2nd

National Custodian Appreciation Day is on Thursday, October 2nd. The day recognizes the important role that custodians play in keeping schools and other public spaces clean, safe, and functional. Give our hardworking, kind, helpful, amazing IEC Custodians a smile!

Mrs. Wilson
Mrs. Stockinger
Mr. Minor
Mr. Duckett

SCHOOL CUSTODIAN:

The quiet hero of the school. They are always the first to arrive each day, clean up messes no one dares to touch and befriend everyone that passes by.

Things Were a Little "Fishy" at the Peach Festival!

K-Kids

Lew-Port IEC Service Learning Class Storm the Beach at Fort Niagara!

On September 20, 2025 students in Miss Khatib, Mrs. Danahy, Mrs. Dougherty, & Miss Neri Service Learning Multi-Age class swept the shores of Lake Ontario at the annual Aquarium of Niagara's Beach Sweep.

The class, along with their families and friends, worked as a team to rid the beach of pollution.

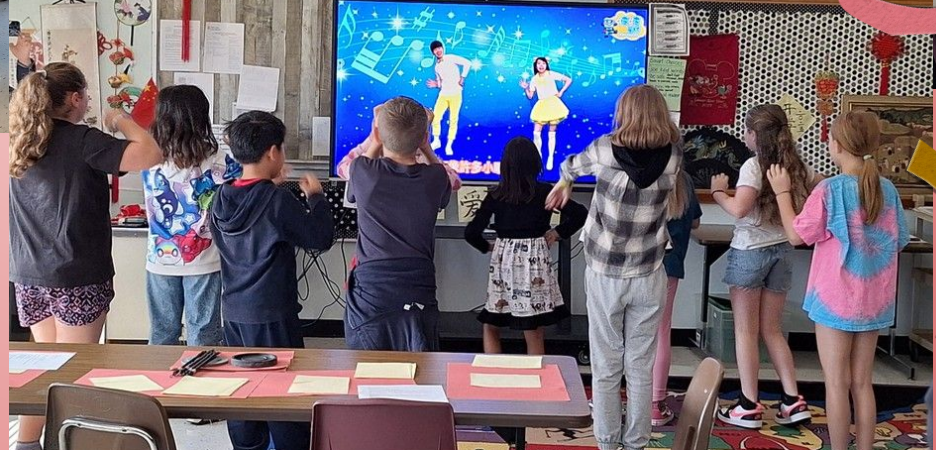

This event serves as a coastline clean up and way to catalog the litter and debris that gathers along the shores of our Great Lakes.

It's part of the International Coastal Cleanup Day, which includes more than ninety countries and the estimated removal of 75 million pounds of trash around the world.

The students and their families had a beautiful morning team building and helping our earth!

Chinese Lesson for NYC Consult and 32 students signed up for classes

Celebrating our Summer Readers!

Two students were recently recognized for participating in our Elementary Summer reading challenge. These students visited our local libraries over the summer checking out books and participating in the special programs our libraries offered throughout the summer. They posted pictures of themselves enjoying their summer reading adventures on our Padlet. Congratulations to the following students: Cole Stopa & Torin Burnett

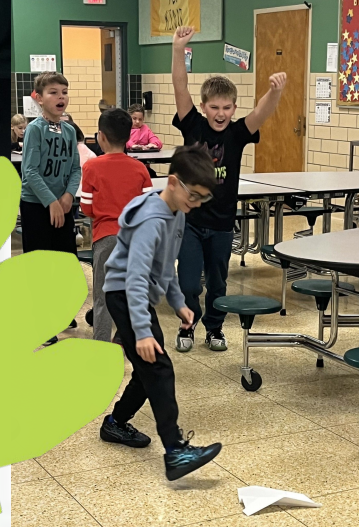

From The STEAM Lab

Fifth graders in Mrs. Peterson's STEAM class kicked off the year by taking ownership of their learning space creatively, by designing the rules of the lab out of recyclable materials! Working in teams, students brainstormed the expectations that would help everyone stay safe, respectful, and successful. Then, instead of simply writing them down, they built eye-catching displays using cardboard, bottle caps, paper rolls, and other recycled items. The result is a colorful set of "lab rules" that not only reflect the students' ideas but also highlight the importance of sustainability and creativity.

IEC CLUBS

We love our Chess and Science Club at the IEC! The excitement and energy in the room were inspiring as students challenged themselves and each other, building critical thinking and problem-solving skills along the way.

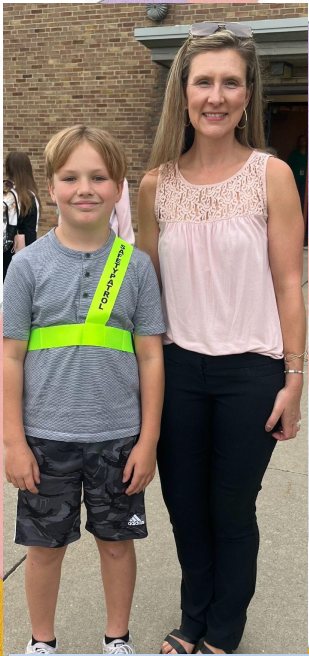

AAA Safety Patrol Begins at the IEC!

Wednesday 9/24/25 marked the first official day of AAA Safety Patrol at the Intermediate Education Center! Our 5th grade leaders proudly stepped into their new roles, wearing their bright belts and badges as they helped keep their classmates safe during arrival and dismissal.

Safety Patrol is an important tradition at the IEC, giving students the chance to demonstrate responsibility, leadership, and service. Our patrol members assist staff by guiding students safely in and out of the building, reminding peers of expectations, and modeling positive behavior in the hallways and on school grounds.

We are so proud of our 5th graders for taking on this responsibility and setting such a strong example for younger students. By serving on Safety Patrol, these leaders are living our IEC expectations of being Safe, Respectful, and Responsible each and every day. We look forward to a great year with our Safety Patrol teams!

IEC 4th Grade Field Trip to Old Fort Niagara!

Our 4th graders had an amazing day stepping back in time at Old Fort Niagara, right here in beautiful Youngstown, NY!

Students explored the fort's historic buildings, watched demonstrations of colonial life, and learned what it was like to be a soldier living on the edge of the Niagara frontier over 300 years ago. They even got to see where soldiers slept, how they cooked, and the incredible view where the Niagara River meets Lake Ontario!

It was the perfect mix of learning and adventure where history truly came alive!

A big thank you to Old Fort Niagara for hosting such a wonderful hands-on experience for our 4th grade IEC students!
