

Methanex High School Scholarship Program

Scholarship Award: Methanex is offering a one-time \$2,500 scholarship to one senior from each Ascension Parish public high school (Donaldsonville, Dutchtown, East Ascension, Prairieville, and St. Amant). A total of five (5) Methanex scholarships will be awarded.

Eligibility: Graduating seniors with a cumulative GPA of 3.0 or higher who plan to pursue a four-year degree at an accredited Louisiana university in a STEM-related field (science, technology, engineering, or math).

- Application Process:**
- ✓ Applicants must include a 500-word essay on why they are pursuing a degree in a STEM-related field.
 - ✓ Include one (1) letter of recommendation from a non-family teacher or mentor.
 - ✓ Completed applications will be reviewed by the committee of Ascension Parish school board staff.
 - ✓ Methanex committee members will conduct a short interview with finalists before determining winners.
 - ✓ The five scholarship winners will be recognized in a Methanex and Ascension Parish School System news release and social media. Winners and their parents will be invited to a luncheon at Methanex in June.

Deadline to Apply: Thursday, February 19, 2026

Methanex is offering \$12,500 in college scholarships to five Ascension Parish public high school seniors to recognize academic excellence and help students pursue degrees in science, technology, engineering, or math (STEM) and related fields within the state of Louisiana.

Methanex is the world's largest producer and supplier of methanol. We make an essential product that improves everyday life and provides solutions for a sustainable future. Our values—trust, respect, integrity, and professionalism—are at the core of our business. We strive to be a respected and valued corporate citizen by creating positive and sustainable impacts in the communities where we operate.
