								STUDENT NAME:								
Parent's Signature:				Place an "X" on those classes you wish to take.												
				Place an "A" on at least four classes												
Math Teacher's Signature:																
				* Pre-Req Required - see registration guide for more information								(w/ "X") must equal 18				

DHS Registration Checklist/Form - Grade 10

Please read the following information carefully prior to filling out the registration document:

- 1) _____ **Consult with your parents**, counselor, teachers, etc...to discuss future plans.
- 2) _____ **Review the DHS Registration Guide** to identify classes that are:
 - a) Required
 - b) Relevant to your goals and interests.
- 3) _____ **Identify your preferred courses on the Registration Form** inside this form (use an X to denote the classes you wish to take - Your classes must equate to 18 credits)
- 4) _____ **Identify Alternate Courses and prioritize using A1, A2, A3, A4.** (A1 = your first alternate). *Please note that some classes presented on the form may not be offered due to student interest or staffing availability.*
- 5) _____ **Review your selections** to conform to graduation requirements and other prerequisites - see below**
- 6) _____ **Obtain signatures** necessary on the inside of the form.
- 7) _____ **Register for your classes via Skyward.** (Opens February 6; DUE BY FEBRUARY 11)
- 8) _____ **Turn this form into the office.** Be sure to include other necessary applications, forms, materials.

**PLEASE NOTE WHEN SELECTING CLASSES:

- If elective and/or alternate choices are not provided, they will be chosen for you.
- Make sure you will have all your required credits for graduation. See Registration Guide - Graduation Requirements section.
- Note: Any/all requests are not guaranteed.

CHECK OUT THE DHS REGISTRATION GUIDE FOR MORE INFO: COURSE SEQUENCES COURSE DESCRIPTIONS HONORS DIPLOMA REQUIREMENTS ETC... 	Check out the Course Registration Web Site pages: 
QUESTIONS ABOUT REGISTRATION? Talk to your advisor, counselor, or an administrator.	QUESTIONS ABOUT A SPECIFIC CLASS? Talk to the teacher of that class or a member of that department
