

Putnam Saturday Farmers Market 2026 Non-Profit Application

The Putnam Saturday Farmers' Market (PSFM) is sponsored by the Town of Putnam in conjunction with the CT Department of Agriculture. The Market Manager is the administrator of the weekly market. As a service to the community, space can be provided at no charge to a non-profit organization to educate the public or raise funds for the benefits of their organization. Each non-profit organization will be responsible for its own liability insurance and any applicable license. Any tangible item offered for sale must be locally made or produced.

Space is limited; the Market Manager will approve non-profit organizations to participate as space permits. Setup may begin no earlier than 9:00 a.m. and non-profits must vacate their space by 2:00 p.m. After 10:00 am, non-profits will not be allowed to set up in their space unless explicitly permitted by the Market Manager.

Space will be assigned by the Market Manager and, unless otherwise agreed to by both the Market Manager and the non-profit organization, will be a minimum of 7' x 10'. Sites will be assigned when all the required paperwork is received. One vehicle per space is allowed in the market area. Non-profits located in the pavilion may park to the rear of the assigned space; non-profits located outside the pavilion will have assigned parking.

Non-profits are to provide whatever they need to set up their own space, including tables. Any canopy, tent or market umbrella must be securely anchored at all times; this rule is strictly enforced, as unsecured tents pose a dangerous public hazard in case of sudden wind gusts. Each non-profit is responsible for leaving the site in the same condition as it was upon arrival.
