

THE WRITE APPROACH TO HANDWRITING: AN EVIDENCE-BASED EXPLORATION OF WRITING DEVELOPMENT AND DYSGRAPHIA

Presented by Jenny L. Clark, OTR/L

Live and On Demand through 5/20/26

FEB 20, 2026 | 8:30am - 3:30pm

Join us for a dynamic full-day workshop designed for occupational therapy practitioners and educators. Learn practical, research-supported strategies to enhance handwriting development in school settings.

This interactive training covers the neurological, sensory, motor, and executive function foundations of handwriting, the impact of dysgraphia, and effective ways to support student success.

$50 In Harris County $60 Outside Harris County

This workshop is partially funded through a grant from the Texas Council for Developmental Disabilities.

ABOUT THE SPEAKER

Jenny L. Clark, OTR/L

With over 35 years of pediatric occupational therapy experience, Jenny L. Clark brings passion, expertise, and creativity to her work supporting children with sensory and developmental challenges. For more than 25 years, Jenny has inspired professionals across the country through continuing education trainings that are dynamic, engaging, and grounded in real-world clinical insight. She is the author of two evidence-based books, Learn to Move, Move to Learn: Sensorimotor Early Childhood Activity Themes and Learn to Move, Moving Up! Sensorimotor Elementary School Activity Themes (Future Horizons, 2023), and the creator of the popular Letter Treasure Hunt handwriting game (Therapro, 2014).
