Each sixth-grade student will be scheduled in five core courses (Language and Literature, Mathematics, Science, and Individuals and Societies and Language Acquisition) based upon data and need. Students are able to indicate their Language Acquisition preference.

Priority is given for placement in year-long elective offerings. Rankings of semester-long elective options is an indication of a student's interests. Every effort will be made to honor the interests, however due to class size and teacher availability there can be no guarantee that every course will be offered or that the student will be placed in their classes of interest.
