

Intervention Support Request

Name and relationship to student: _____

Class period student needing support is in: _____

Date: _____

What type of intervention is being requested? (Please select one.)

- Academic
- Behavior
- Attendance (see last question only)

Student name: _____

What are your observations of the student that you are requesting support with?

Do you have a suggestion as to support that would be beneficial for this student?

What interventions/strategies have you implemented and practiced with this student?

If this is academic support, what priority standard needs to be addressed? What are your expected outcomes for this student? (Attach additional documents as needed.)

If this is a behavior support, what function of behavior is being identified? Is the problem behavior “obtain/get something” or “escape/avoid something?” Is it “stimulation/sensory,” “social,” or “tangible/activity?”

If this is an attendance support request, what concerns do you have and what interventions have you tried? *Return form to Attendance secretary.*

****Please submit this document to Rebecca Wilson Hayden (Behavior Specialist).**
