The elementary winter concert was a success! Students in kindergarten through sixth grade performed their songs and worked hard to learn the lyrics. Families and community members gathered to support our students as they spread holiday cheer. Families were gifted books and hot chocolate packets to enjoy at home and had the opportunity to take pictures with Santa. It was a wonderful way to end the week before winter break!

College and Career Readiness Update—

The seniors have had a busy fall attending the Douglas County College Fair at Roseburg High School, the Southern Oregon Trade Careers Expo at Seven Feathers, Financial Aid Night for seniors and their families at YHS, and the Public Healthcare and Safety Event at Umpqua Community College. All of these events are helping to shape their postsecondary plans, which includes applying to colleges or trade schools, and exploring both workforce and military opportunities. They have also heard from a number of college, trade schools, and military representatives who have visited our campus, as well as a number of industry speakers who have shared about their respective careers.

In November, Mrs. Westbrook hosted Oregon College Application Week for students in her Senior Success class, which resulted in a total of 21 seniors applying to a combination of over 42 college and trade schools, as well as two students connecting with military recruiters, and the completion of nine job applications all in the span of just one week. Many of these students have already been accepted into the college of their choice and are actively applying for scholarships! This winter, seniors will be gearing up to apply for the UCC Foundation Scholarship, the Oregon Student Access and Completion (OSAC) Scholarship, The Ford Family Foundation Ford Scholars Scholarship, and many more to come in the spring.

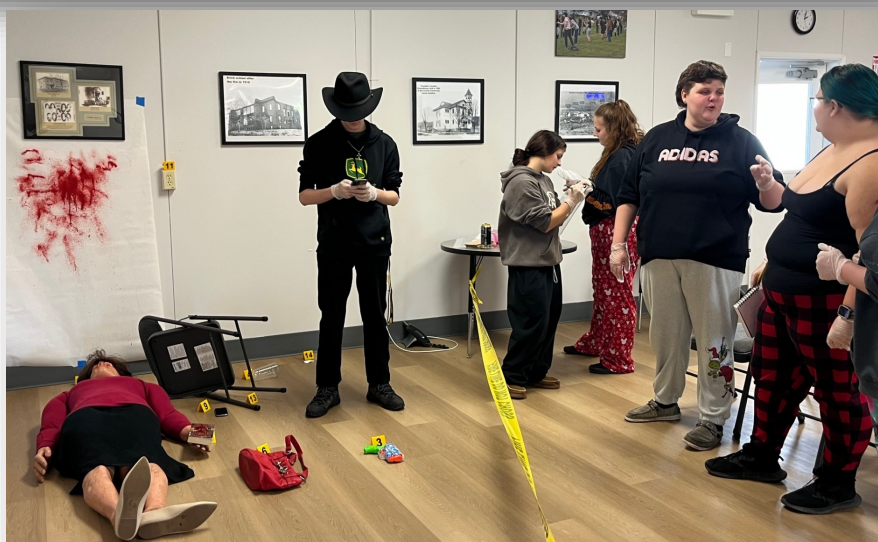

If you see a senior, please encourage them in their postsecondary endeavors, and ask them about their plans and experiences so far, as they will be happy to share them? Additionally, if you are interested in speaking to Mrs. Westbrook's Senior Success class about your own career and/or postsecondary pathway, please don't hesitate to contact her at 541-849-2175 x3114, as she would love to book you as a guest speaker for any of her college and career readiness classes. Congratulations to this year's senior class for getting off to such a strong start. Your future is bright.

Help! There's Been a Murder!

The forensic class got to help solve a murder in January. Ima Miner was killed in the boardroom with a gun. They are on the case!
