

SAFE SCHOOL PROFESSIONAL

Dear Families: Thank you for choosing Red Rock Elementary School! Mageena Tom, LCSW (School Social Worker) uses the Multi-Tiered System of Supports to address social skills, positive behavior planning, and emotional regulation to provide students the skills necessary to succeed at home and academically

MY ROLE

To provide a link between homes, school, and community. Teach social/emotional skills in class, in small groups, and 1:1. Advocate for students and families, facilitate conflict resolution, and engage peer mediation
Provide School-wide trauma-informed care using evidence-based practices

WHAT I DO

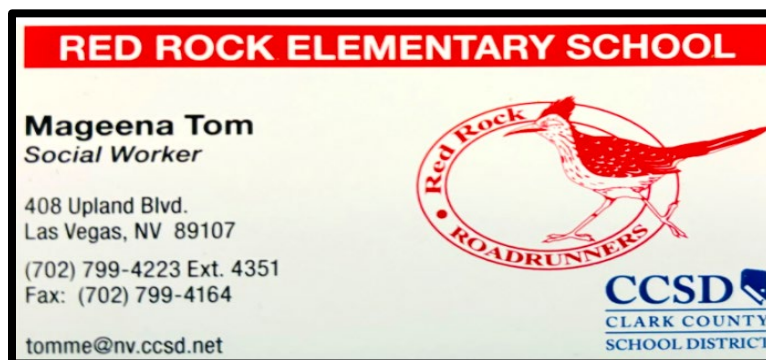

Make community resource guides, recommendations, and referrals, attend to mental health needs then link to community providers as needed, crisis intervention, debriefing, check-in/check-outs,
Provide a safe place to talk, moral support, brief counseling using creative play, art projects, walks, and worksheets
Contribute to positive school climate, bullying prevention, enhance staff morale, family support groups
Attend IEP/504 plan meetings with SEIF/Counselor, co-develop goals/interventions, assist in class push-ins
Initiate needs assessments, being a trustworthy adult, aid in individual and collective safety structure

HOW I HELP STUDENTS

Encourage school participation, empower families to increase attendance, problem-solving
Ensure non-judgmental active listening, give grief support, increase self-esteem, build strong relationships with empathy, facilitate decision-making improve/encourage reciprocal communication, model a team approach by collaborating with the Student Support Team (SST), class observations,
provide special projects/prizes/pressure pass system, facilitate teacher/student discussions
Deescalate challenging behaviors with compassion and safe interventions

FAMILY HELP

Meet with parents/guardians/additional involved family members
Explain school policies and procedures, ensure coordination of translation/understanding
Empower families to increase/improve connecting with school leadership and teachers
Provide updates, spread parenting tips, give trainings, inform you about volunteer opportunities
Coordinate services at school/in community, connect with you in our community by home visits
Assist in planning/providing extracurricular activities/programs

School Year: 2024 – 2025
