General Discussion

Three visitors from the City of Las Vegas; Dr. Lisa Hibbler, Lisa Campbell, Candace Boring, presented the ReInvent Schools program to the SOT Committee. This is a partnership between CCSD and the City of Las Vegas. The program provides high-quality, evidence-based programs that address learning gaps and absenteeism. A component of this would be free SakeKey for all Red Rock students through scholarships. Red Rock would be a "community school" with the City providing "wrap-around" services by various other partners.
