New Agenda Items

Reinvent School/SB178:

With the SB178 funding of \$408,000.00, which Red Rock receives from the State since we are not a Victory School or a Zoom School, we are looking into having a Site Coordinator, from the Community In Schools, this would be a of cost of \$57,900.00. The person would support "Wraparound Services" for our students.

Other items to be paid for out of that money, would include: Site License for Imagine Learning, paying for 2 teachers to serve as Interventionists to implement Imagine Learning; purchasing Chrome Books, for each classroom to implement school wide inventories; and charging stations.
