Discussed possible options to reduce our staff by one teacher. One option is reduce one teacher in primary and move them to and intermediate grade. Another option is to remove the 4/5 combination ALM class and have a stand alone 4th grade ALM class and stand alone 5th grade class. The team concludes that smaller class sizes will best support student learning. Casey Gable made a motion to remove a second grade teacher and place them in 5th grade. In order to accomodate recent budget cuts a more expensive teacher will be removed from SB 178 budget and will be replaced with a newer and less expensive teacher. TNTP has invited our students for summer school. All K-4th grade students are invited to attend. Pre-K and 5th grade students will be invited by teacher recommendation. TNTP summer school runs from June 11th- July 13th and all students will receive intervention and remediation. Red Rock will serve as a community site for free breakfast and lunch for anyone 18 years or younger for free.
