2.0 Old Items

2.1 Distance Learning Update

Ms. Wong shared that all families who have expressed interest in needing a chromebook or hot spot have one, we continue to distribute supplies to families, with the next distribution being Monday, Feb 1

from 8 AM – 10 AM. The Student Support Team (SST) has been meeting every week and working with students.

3.0 New Items

3.1 Budget Information

Budget cuts that were anticipated earlier will not happen due to additional funding

3.1.1 Title I

Budget for FY22 is \$279,295 FY22. \$2792.95 (1%) will be set aside for parent engagement. This is about a \$27,000 reduction from last year. With our money we will fund four teachers with \$19,000 left over. Title I wants a cushion set aside for finalized teacher salaries, which happens in August. The remainder of money will be spent on technology (chromebooks, chromecast, etc.)

3.1.2 SB178

SB178 has been renamed “Academic Support Funding”. Our budget for FY22 is \$245,630. This is \$1015/per student who had particular MAP/SBAC scores in 2018 (lowest quartile). This funding will be used for continuing to staff instructional coaches since we have seen an increase in academics.

3.1.3 Strategic

Nothing to report at this time.

3.2 Staffing

Discussed within Title I and SB 178 FY 22 budget updates.

3.3 Small Group Return

Ms. Wong explained that the small group plan that was also approved applies to all schools (ES, MS, HS), and we will need to identify students who would benefit from small groups PreK-5, not just prek-3. We will look at students that need support or students who are not attending regularly and/or engaging in lessons. K-1 seem to be the biggest issue, but there are students having trouble in intermediate grades which may be associated with housing situations. Different rules apply to groups (no more than 4 hours, can be on set days, but cannot interfere with their distance learning.) The building plan for small groups is due by February 5, 2021. Ms. Wong has concerns about getting those plans in place.

3.4 PK-3 Return

Last the night district announced PreK-3 teachers will be returning to the building on February 22, 2021 and students PreK-3 will have option of returning hybrid on March 1. No further information given. The district is currently surveying families and teachers regarding preK-3, not small groups, to identify those willing to return and those who prefer to stay home. Ms. Wong is concerned about health and safety of students on campus. As of today 167/459 (36%) of our preK-3 students have responded. Teachers are now able to get vaccine (preK-3 getting priority) through UNLV.

4.0 General Discussion

4.1 PTO Update

PTO had shirts on campus ready to sell before second shut down with the generated funds to support Thanksgiving baskets. This did not happen due to the shut down.

Mask sales would be another idea with students returning to campus.

Ms. Wong will review guidelines for school store and selling other items from campus.

PTO can brainstorm ideas about possibly selling on campus.

Monica shared an idea about a sunhat/shield combo for kids. Wong will find out if face shield are approved for students returning. Possibly for younger students.
