PROOF OF RESIDENCY

1.0 RESIDENCY

1.1 In order to attend Middleborough Public Schools, a student must actually reside in the Town of Middleborough. “Residence” is the place where a person dwells permanently, not temporarily, and is the place that is the center of his or her domestic, social, and civic life. Temporary residence in the Town of Middleborough, solely for the purpose of attending a Middleborough Public School, shall not be considered residency.

1.2 The residence of a minor child is presumed to be the legal residence of the parent(s) or guardian(s) who have physical custody of the child. Any student 18 years or older may establish a residence apart from his or her parent(s) or guardian(s) for school attendance purposes. In the event of shared custody, parent/guardian will provide any and all custody documents enforced by the courts in the Commonwealth.

The Middleborough Public School Systems does not discriminate in its educational activities or employment practices on the basis of age, color, creed, disability, ethnicity, gender identity, genetic information, homelessness, marital status, national origin, political affiliation, pregnancy, race, religion, sex, sexual orientation, veteran or military status, or any other basis protected by federal and/or state law.

2.2 In order to verify residency, Middleborough Public Schools reserves the right to request additional documents and/or to conduct an investigation. Because residency can change for students and their families during the school year, Middleborough Public Schools may verify residency at any time.

2.3 All new applicants are required to present the required three documents (one valid item from each column A, B, C.).

2.5 The “Proof of Residency” policy does not apply to homeless students and families. Contact the office of Pupil Personnel Services (508-946-2013) for assistance with registering your child.
