9th Grade HIGH SCHOOL CHOICE ENROLLMENT

2026-2027

JP Schools 9th Grade High School Choice
General Information

To be eligible for the Choice program, students must:

- Be enrolled in 8th grade.
- Be enrolled in a traditional (non-charter) Jefferson Parish School for the 2025-2026 school year.

Key details about the Choice program:

- Only students requesting to attend a school outside their attendance zone are required to apply for School Choice.
- A student's zoned school is determined by the enrolling parent's home address.
- A Choice School is any school located outside of the student's designated attendance boundary.
- Approved School Choice assignments remain valid through 12th grade.
- Applications will be reviewed and approved based on seat availability as determined by the district.
- Priority is given to children of full-time district employees, students of active-duty military personnel, and siblings of currently enrolled students when capacity allows. Official documentation is required to receive this priority consideration.
- Priority consideration does not guarantee placement at a Choice School.

  Note: Submitting an application does not guarantee placement at a Choice School.

- Wait-list Process:
  - Students who are not placed at their requested Choice School during the notification period will be added to a wait list.
  - The wait-list will remain active through the 15th day of school.
  - After the 15th day of school, no additional Choice reassignments will be made.
- **Transportation is NOT provided for students placed at a Choice School.**
- Athletics Eligibility: Students approved for a 9th Grade High School Choice transfer are subject to LHSAA eligibility regulations. For further details, students should consult their counselor or athletic director.
