	Alternate	
	Alternate	
	Alternate	

General Information: Teachers have made core academic recommendations

- At this time, students must verify course selection and make additional elective choices.
- Should you disagree with the teacher recommendation(s), please complete the online course waiver on the NFHS website.
- Courses that end in "y" are year-long courses. Courses that end in "s" are semester courses. Therefore, students who select a semester course must select two "s" courses to balance their schedule. Ex- Drivers Education/ World Geography
- Courses with a teacher name, instead of a course number, require that teacher's approval for placement/application/audition. An * designates an application must be completed. See the teacher and/or 2026 - 2027 Registration link on the NFHS website for a copy of the application.
- Select the number of elective courses to equal a 7-period day. In the portal, you will see 100% complete when you have a complete schedule. You must select 3 alternates in the event your course selections conflict.
