- Very proud of our district's focus on our three pillars of student learning, student experience, and student safety.
- All three schools saw gains on the most recent Kentucky Summative Assessment. We landed in several green and blue categories, which are the top two groups. Thank you to everyone who has worked hard to help improve test scores.
- An excellent example of student experience was demonstrated today during our MCES Kindergarten and MCHS Helping Hornets Wrap Up and Ready program.

I'm very proud of the students that we have and our staff. It has been a collective effort from all parties involved to make this happen, and I look forward to continuing the push toward improvement.
- The KCSS safety audit went well. All minor issues have been addressed.
- The Wrap Up and Read program was another huge success.

Mr. Hurt – *I want to commend Mr. Eaton and the high school students and staff not only for scoring in the green category on the Kentucky Summative Assessment, but also for significantly improving reading and math scores. Also, a big thanks to everyone who worked hard on making the family Thanksgiving meal such a huge success. It was truly a fantastic student experience.*

Kelly Bell – *We are thankful for Mr. Eaton and his leadership, for showing students what family is all about, and for providing them with an opportunity they might not otherwise get to experience. We are also very proud of the work that Mr. Eaton and his staff have done to significantly improve test scores.*

LeAnne Bell – MCMS

- On Nov, 18th, the Kentucky Center on School Safety conducted an audit at MCMS. Approximately 325 safety surveys and 131 interviews were completed by students, parents, and faculty. Overall, they found that 100% of students and staff felt safe at school. 100% of students have at least one trusted adult to talk to. The report has been emailed to Allen Trotter, DPP, and Superintendent Hurt. Mrs. Jenny, principal at MCMS, has reviewed their findings with administrators and lead teachers. She plans to review the entire report with faculty when she returns from medical leave.
- MCMS's art teacher Nikki Jolly, 8th-grade student Kyn'lee Swartz, and 7th-grade student Lilly Billingsley, participated in the Master's and Apprentices Art Exhibition at the Campbellsville University Art Gallery on Nov. 21. The exhibit included work from other counties, including Washington, Green, Hardin, and Adair.
- The Beta Induction Ceremony was held on Nov. 24, with more than 25 new inductees.
- On Nov, 25, we held our Pie in the Face fundraiser for KYA. Jennie Shearer, 6th-grade math teacher, and Rollo Kerr, 8th-grade student, pied each other for being the top money earners.
- NTI days have been successful. Teachers are reporting their completion percentages and communication logs.
- Mrs. Jenny, principal, had her surgery on Thursday, Dec. 4. She would like to share that she wishes you all a Merry Christmas.
- The 2nd nine weeks midterms were mailed today with KSA reports to parents.
- The Metcalfe County Band held its annual winter concert last night. They did a wonderful job.
