### EXTRA MILE AWARD

Congratulations to our Extra Mile Award Winner for January, Henderson Middle School teacher, Mr. Michael Jeffcoat. Each day, he intentionally builds meaningful relationships with his students, creating a safe and supportive environment where they feel seen, valued, and encouraged to succeed. He models empathy, kindness, and respect, teaching students not just academics, but the importance of caring for others. The same unwavering compassion is evident in the way he supports his coworkers. He is a trusted colleague who leads with heart, always willing to step in, uplift others, and bring people together. One especially moving example occurred when he learned that a colleague would not be able to walk for her completed degree program. Without hesitation, Mr. Jeffcoat brought teachers together to create a surprise graduation walk in her honor.
