Opt-Out Attestation of Other Coverage - Please read and sign below

If you or your dependents are enrolled in other coverage, you and your dependents may not enroll under our medical plan. In accordance with the union agreements, the school district will not provide dual and/or coordinated coverage.

I understand my right to enroll for coverage for my eligible dependents and me. However, I have other coverage available to me for the plan year January 1, 2026 through December 31, 2026, and so I would like to waive coverage under the District's medical plan. I choose to decline medical and prescription drug coverage offered by Rochester Community Schools. By signing below, I attest I understand that the Patient Protection and Affordable Care Act, also called Health Care Reform requires most individuals to have health insurance or pay a penalty for non-compliance. All members of my Tax Family have or will have Minimum Essential Coverage for the entire plan year, January 1, 2026 through December 31, 2026. "Tax Family" includes you and all other individuals you reasonably expect to claim a personal exemption deduction for the taxable year or years covered by the opt-out time period. "Minimum Essential Coverage" is medical coverage that meets minimum standards under the Affordable Care Act. It does not include coverage purchased in the individual market, whether or not obtained through the Marketplace. I understand that I will have an opportunity to enroll for medical and prescription drug coverage during the next annual benefit enrollment period, or I may enroll for coverage before then if I qualify for a special enrollment period or have a qualifying change in status. I understand that to enroll for coverage during a special enrollment period or due to a qualifying change in status, I must request coverage from my employer within 30 days of the event. I understand that this Attestation is required annually to continue and I affirm the information I am providing is true and accurate to the best of my knowledge.
