

Dear Parents/Guardians:

Hello! My name is Elisa M. Weisel, and I am the school counselor at Sheridan Park Elementary School. I am a helper and a person who will provide a safe space in school for your children.

I have extensive experience as a school counselor, grades preK-12. I arrived in Broward County in 2019, where I worked for three years at Olsen Middle School before arriving at my current position at Sheridan Park Elementary School. Before moving to Florida, I was an elementary school counselor for seven years, working for Baltimore County Public Schools in Maryland. However, I started my career in my home state of Massachusetts, where I was a school counselor, grades K-12.

Some of my duties here will be:

- Counsel individual students as needed
- Teach classroom guidance lessons on a variety of topics
- Counsel small groups of children with similar concerns, as needed
- Assist teachers/administrators/support staff in meeting individual student needs
- Ensure students attain school-to-work/college readiness
- Communicate and meet with parents as needed
- Coordinate services with community agencies
- Recognize and support life skills and wellness
- Use academic, attendance and discipline data to provide additional assistance to students as needed

School counseling services are available to all parents/guardians. Please let me know if I can ever be of assistance to your child or your family.

My telephone number is: (754) 323-7356
My e-mail is: elisa.weisel@browardschools.com

Sincerely,
Elisa Weisel
